

If you have any questions for the **Electrical Inspector**, call Mon. or Weds., 8:30am-9:00am, at (231) 689-7216. Before any new construction is started, check with the power company to make application for electrical service and proper location of the meter.

New Home/Complete Rewire permits include up to 3 inspections, does not include reinspections. ****Residential meter set is for seasonal properties. *Base Fee includes one inspection. When covering walls, at least two inspections are required: rough-in and final.**
