Transportation Checklist

- Label containers to identify contents or keep in original container
- Remove all valuables from trunk
- Transport waste in a box placed in the trunk of your car or in the bed of your truck. (keep items away from passengers)
- Secure leaky containers and loose loads
- Follow directions once you reach the HHW collection site.

Do the Right Thing... Reduce Hazardous Waste

Buy Smart

Purchase non-toxic or less hazardous products in only the amount you need. Look for alternative products that don't contain hazardous ingredients.

Store Properly

Toxic products are poisonous. Don't put your family's health and safety at risk! Keep products out of reach of children and pets.

Use It Up

Finish all unused products and recycle the empty containers or share with friends and neighbors.

Protect Our Communities

NEVER throw HHW into your household garbage, toilets or sinks; never dump on the ground or pour down the storm drain. It is illegal and HHW can seep into the groundwater, waterways, lakes, and rivers, causing contamination of our drinking water, beach closures and health hazards to swimmers.

Dispose Properly

Dispose of HHW properly at the free Newaygo County HHW day!

Any questions regarding Household Hazardous Waste Collection Day and/or volunteering please contact the Newaygo County Drain Office M-F 7:30am to 4pm at 231-689-7213
