

# Natural Shoreline Workshop:

## How to Protect and Enhance your Property

Hosted by the Muskegon River Watershed Assembly

**Monday, August 1 – 5:30 pm – 8:30 pm**

Newaygo County Welcome Center – John Graves Lodge

4684 Evergreen Drive (M-37), Newaygo

This workshop will provide property owners with a broad understanding of healthy lakeshore ecosystems and why natural shorelines are important.

**Please join us and have the opportunity to win free native plants.**

### Workshop topics:

- Natural shorelines: What they are?
- How Natural Shorelines protect your water from pollutants
- Use of native plants in shoreline landscapes
- Design your own shoreline with native plants
- Inland lake invasive species
- Permits required for shoreline work

**The Muskegon River Watershed Assembly is able to offer this workshop**

**FREE of Charge to Newaygo County Residents.** Funding support comes from the Fremont Area Community Foundation.
