To the Citizens of Newaygo County

This is the 2018 Newaygo County Governmental Official Directory. This contains the names and contact information of elected and appointed officials for Township, City, County, and State offices who serve the people of Newaygo County.

The information contained in this Directory is the most recent available information at the time of printing. Some changes will occur during the course of the year and for updated information you can contact the Newaygo County Clerk's Office or visit the County website at:

www.countyofnewaygo.com

Navigating through the website will give you the opportunity to view the Elected Officials' pages, the different Departments we have here at the county, with resources, careers and the ability to contact us by email, telephone or mail. There are also printable forms available and descriptions of each office and their function for Newaygo County. We also have a new Election Reporting website where election results can be found. Please visit this website at:

www.electionreporting.com

It takes an amazing team to complete a project such as this Directory. A special "Thank You" for the members of the County Clerk's office team which includes Chief Deputy Clerk, Pamela Rolfe, and Deputy Clerks, Cathy Stroop and Hilary Davis. I would also like to thank the Director of the IT Department, Nick Maynard, as well as the members of IT for their assistance on this project.

Please call, email, or stop in to the County Clerk's Office anytime if you have any questions or concerns or need assistance. We are here to serve you and look forward to the opportunity and privilege to do so.

Sincerely,
